## EDUCATION

### Maharaja Surajmal Institute of Technology

BTech Computer Science  
8.8 CGPA

Aug. 2016 - July 2020

## EMPLOYMENT

### Tinkerly, Full Stack Developer, Rajasthan, India

May 2020 - July 2020

Worked on the website of their new product i.e, an online virtual K-12 school powered by Technology and STEM learning, using ASP.NET MVC.

- Created Student Dashboard with filtering & sorting.
- Implemented Blogs feature end-to-end.
- Created forms using MVVM pattern with ASP.NET Razor Pages
- Used firebase for Authentication, Razorpay payment gateway & hangfire scheduler.
- Designed the database and optimized the performance of the website.
- Created the Home page, Navbar, footer, and a few other static pages using HTML, CSS, and JQuery.

Contact: Mrs. Archana Sharma (Full Stack Developer) +91 7702303908
